ProTech Skin Care agrees to:

1. Provide product samples for the registered participants of the event.
2. At our sole discretion, provide samples for volunteers and/or spectators.
3. At our sole discretion, provide 3 oz. tubes for registration. Qty _____.
This product is best used 30 minutes prior to strenuous exertion so the best time to apply is before beginning the event. We have found that the registration is a good place for several 3 oz. tubes (provided personnel can keep them from "walking off").
4. Provide product or company brochures or coupons (upon our sole discretion).
5. Cover the cost of shipping the product and product/company printed materials to you.
6. Provide you with a jpeg format of our logo for use in email and on web pages, and for use in print, an eps formatted file. We will provide you with two different logos. *Please use the logo with the tagline ("Skin Care for the Outdoor Enthusiast") when the reproduction will be large enough to read the tagline. In the event the reproduction is not large enough for the tagline to be legible please use the alternative logo that does not contain the tagline.*

You agree to (please put an "x" next to the promotions you agree to provide for ProTech Skin Care):

1. Print the ProTech logo on all printed materials, including but not limited to, advertising promoting the event, direct mail and registration forms.
2. Place ProTech banners at the registration start and finish of the event based on banner availability.
3. To place the ProTech logo on the event web site (where applicable). This can be a live link or just an image. If live, please link to **www.protechskincare.com**
4. 6. To print the ProTech logo on shirts, hats or other clothing for volunteers and/or participants, where applicable for the sponsorship level based on our in-kind product donation (including the cost of shipping the product to you). To confirm in-kind dollar value for your event please call Melody @ 510-537-2220 after faxing in this form.
